

COMPARISON CHART

Baseboard and Convactor Heaters

Features	Baseboard 903 Series	Architectural Sill-Height Convactor 904/906Series	Industrial Sill-Height Convactor 905/907Series	Architectural Convactor 908/909Series	Architectural Cabinet Convactor 911/912Series	Mini Draft Barrier 914 Series	High Watt Density Draft Barrier 916 Series
Typical Applications	Retail stores, Small offices	Commercial buildings, Public buildings	Industrial buildings, Institutions	Banks, Offices, Classrooms, Conference rooms	Classrooms, Conference rooms, Hallways	Entryways, Hallways, Schools	Entryways, Hallways, Shopping centers
Wattage Range	300 to 2,500	200 to 2,500	200 to 2,500	800 to 4,000	1,000 to 6,000	300 to 1,400	375 to 4,000
Watt Density W/ft (W/m)	275 (900) 200 (650)	275 (900) 200 (650) 150 (490) 100 (330)	275 (900) 200 (650) 150 (490) 100 (330)	500 (1640) 375 (1250)	1,000 (3,280) 750 (2,450) 500 (1,640)	175 (574) 150 (490)	500 (1,640) 355 (1,165) 250 (820) 175 (575)
Voltages	120 - 277 (1 Ph)	120 - 277 (1 Ph)	120 - 277 (1 Ph)	208 - 277 (1 Ph)	208-277(1 Ph) 208-480(3Ph)	208 - 480 (1 Ph)	208 - 480 (1 Ph)
Element Type	Stainless steel with aluminum fins	Stainless steel with aluminum fins	Stainless steel with aluminum fins	Stainless steel with aluminum fins	Stainless steel with aluminum fins	Stainless steel with aluminum fins	Stainless steel with aluminum fins
Standard Construction	22-gauge steel body and front panel	18-gauge steel cabinetry with 14-gauge aluminum front cover	18-gauge steel cabinetry with 16-gauge steel front cover	20-gauge steel cabinetry, 16-gauge steel front cover and extruded aluminum grille	20-gauge steel cabinetry with 16-gauge steel front cover	18-gauge steel cabinetry with 14-gauge aluminum front and top covers	18-gauge steel cabinetry with 14-gauge aluminum front and top covers
Finish	Polyester powder paint	Polyester powder paint	Polyester powder paint	Polyester powder paint	Polyester powder paint	Polyester powder paint	Polyester powder paint
Sloped-Top Version	No	904 Series	905 Series	908 Series	911 Series	No	No
Bottom Air Inlet Option	No	Yes	Yes	No	No	Standard	Standard
Pedestal Kit Option	No	Yes	Yes	Yes	Yes	Yes	Yes
Front Warm Air Outlet Option	No	No	No	Yes (909 Series only)	Yes (912 Series Only)	No	No
Custom Colors	Yes	Yes	Yes	Yes	Yes	Yes	Yes
